Traditional Food in Krusevo

Our little town Krusevo has a long tradition in regards to home made food. It has even more people enjoying it. We have recipes going back through the centuries of unique food products available. If you want to start a conversation, food is always a good starter.

The home made food we prepare in our hotel is prepared entirely in house. All of the ingredients bought at the local markets. Buns, pies, bagels, many types of home made sweets, cakes, cooked foods, everything is prepared by our dedicated team of cooks.

“Krushevo is beautifully arranged in the form of amphitheatre. The positive waves of our seminar reach every corner of the town.”

About the....:

Seminar will be enjoyed in Hotel “Montana”, in Krushevo

Krushevo is a mountain town. Situated at an altitude of 1.350 meters above sea level (4.430 ft), Krushevo is the highest town in Macedonia. It is known for its 19th century domestic architecture. There are numerous old and new houses all built according to the old Macedonian architecture.

It is home to Mechkin Kamen, a historical landmark which marks the spot of the uprising of 1903. On August 2 every year, it is the site of the traditional Macedonian Republic Day celebrations, which are attended by Macedonian leaders.
